

Type: Notice of Resignation during Investigation

Former Registrant: Dr. William Brook (Registration No. 1954)

Date: January 1, 2015

Nature of Action: The former Registrant's registration with the College was cancelled at the Registrant's request.

Reasons: Be advised that William Brook, Ph.D., is not a registrant of the College of Psychologists of British Columbia. The College cancelled Dr. Brook's registration as a psychologist in British Columbia, at his request, effective January 1, 2015, while an investigation of a complaint about his practice was under way. In light of Dr. Brook's voluntary cancellation of his registration, the College's Inquiry Committee has decided that the issuance of this public notice resolves the complaint against him.

As a result of Dr. Brook's voluntary cancellation of his registration, he is no longer entitled to work or practise in British Columbia as a "registered psychologist" or (for most purposes) as a "psychologist". Any questions or concerns should be directed to the College of Psychologists of British Columbia at 604-(604) 736-6164.
