

POSITION DESCRIPTION

Position Title: Practice Advisor, Psychology

Position Category: Employee Part-Time (0.4 Full-Time Equivalent)

Department: Quality Practice, Professional Practice & Support

Territorial Acknowledgement

The offices of the College of Health and Care Professionals of British Columbia (CHCPBC) are located on the ancestral and unceded territories of the Coast Salish Peoples — specifically, the x^wməθk^wəyəm (Musqueam), S^kwxwú7mesh (Squamish) and səilwətal (Tsleil-Waututh) Nations — the lək^wəŋən (Lekwungen) Peoples — represented today by the Songhees and x^wsepsəm (Esquimalt) Nations — and the WSÁNEĆ (Saanich) Peoples — including the BOKKÉĆEN (Pauquachin), STÁ,UTW (Tsawout), WJOŁEŁP (Tsartlip), and WSÍKEM (Tseycum) Nations.

Position Summary

The Practice Advisor, Psychology, is responsible for supporting and advising registrants, the public, and other regulatory programs within CHCPBC on profession specific issues relating to ethics, professional and clinical practice standards, and the laws that govern the practice of psychology in British Columbia. The Practice Advisor, Psychology, provides practice support information to assist registrants to comply with their ethical and professional obligations and maintain their knowledge and understanding of applicable laws and standards.

Working collaboratively within the Quality Practice team, the Practice Advisor, Psychology, also supports the Professional Practice & Standards Advisory Committee (PPSAC) and the Quality Assurance Committee (QAC) and participates in policy development processes and decision-making.

It is essential for all College staff to contribute to a team approach with a public protection focus, delivering efficient services that align with and allow the College to meet its regulatory, strategic, and operational goals.

Supervisory & Reporting Responsibilities/Relationships

Reports to: Manager, Professional Practice & Support

Direct supervision: N/A

Duties & Responsibilities

1. Provide practice consultations to registrants as it relates to relevant legislation and the College's standards and bylaws.
2. Provide profession-specific support to the Quality Assurance Program for psychology.
3. Provide profession-specific practice advisory support to Investigations, Discipline & Monitoring and Licensure staff teams, as well as the Inquiry Committee (IC) and Registration Committee (RC) as required.
4. Develop resources for registrants to support practice and regulatory compliance.
5. Support the development of practice standards, policies, and guidelines.
6. Provide guidance and information to support registrant compliance with the *Health Professions Act (HPA)*, the Psychology Regulation, the CHCPBC Bylaws, and relevant standards and policies.
7. Maintain knowledge of the profession of psychology, relevant legislation and practices in regulation, identifying trends, risks, and best practices.
8. Provide guidance and information to members of the public, government, other health profession regulators, academic institutions, and health and school board agencies.
9. Collaborate with regulators in BC and other jurisdictions to share best practices and develop common approaches to regulation.
10. Other duties as assigned by the Manager.

Qualifications

1. Doctoral degree in psychology, plus a minimum of five (5) years' practice experience in health care delivery.
2. Registration in good standing with CHCPBC.
3. Experience in interpreting legislative requirements and identifying and analyzing the implications on internal policies and procedures.
4. Knowledge of the HPA and a demonstrated understanding of regulatory functions and related administrative law principles preferred.
5. Tech savvy with excellent working knowledge of cloud computing systems and Microsoft Office suite (such as Word, PowerPoint, Excel, Outlook).
6. Collaborative spirit with a passion for fostering regulatory excellence.
7. Demonstrated understanding of diversity, inclusion, and cultural safety and humility as they apply to professional practice & support
8. Awareness of, and commitment to, learning and understanding the Truth & Reconciliation Commission's 94 Calls to Action (2015), the *In Plain Sight* report (2020), the *Declaration on the Rights of Indigenous Peoples Act* (2019) and *Reclaiming Power and Place's* (the Missing and Murdered Indigenous Women & Girls National Inquiry's Final Report) Calls for Justice, and how they intersect across the health care system.

Salary & Benefits

1. The full-time compensation for this position is \$95,000-\$132,400 annually

(prorated at \$38,000-\$52,960) based on a 37.5-hour work week (prorated at 15 hours).

2. The starting salary will be determined based on factors such as the successful candidate's job-related knowledge, skills, experience; salaries of other employees in the same salary range; market conditions and other relevant factors.
3. The College provides competitive compensation; an attractive paid-time off package that gives annual vacation, personal days, and a pension benefit.
4. We have a flexible work environment that includes a hybrid work model with an assigned schedule. We offer opportunities for personal and professional growth; provide flexibility; strive for work-life balance; and provide an excellent and dynamic work environment where innovation, teamwork and creativity are highly valued.
