

Type: Undertakings

Registrant: Dr. Lori Ladd, Former Registrant

Date: May 5, 2022

Status: In Effect

Nature of Action: The Former Registrant voluntarily agreed to an undertaking under section 36(1)(d) of the *Health Professions Act* to the College issuing a public notification on its website confirming that she is no longer a registrant of the College.

Reasons: The Inquiry Committee was satisfied with the Former Registrant's undertaking, in light of the fact that she is no longer a registrant of the College of Psychologists of BC and as such, is no longer entitled to practice psychology in BC. Additional information has been withheld from this public notification to protect the former client's privacy.
