

Michelle Nightingale, RSLP

Extraordinary Action

Location:

Surrey, BC

Date of Action:

November 3, 2022

On November 3, 2022, Ms. Michelle Nightingale, RSLP, entered into an Undertaking and Consent Agreement consenting to an order for extraordinary action, pursuant to s. 35(1) of the *Health Professions Act*.

Background: The Committee has ordered interim limits or conditions on Ms. Nightingale's practice, during its investigation, with Ms. Nightingale's consent. The limits or conditions require that, during the investigation and pending a hearing if any, Ms. Nightingale's practice be supervised by another RSLP respecting dysphagia-related activities.

The Committee believes that this interim action is sufficient to protect the public during its investigation.
