

Draft Bylaws Overview

College Records and Information

Under the new bylaws related to College Records and Information:

- The Registrar continues to be head of the College for purposes of the *Freedom of Information and Protection of Privacy Act* (FOIPPA).
- The Registrar must establish a policy for the College's records management.
- Fees for access requests continue to be possible, per maximum prescribed in legislation.
- The registry of regulated health practitioners continues to be in an electronic format.

There are no substantive changes driven by the HPOA in this part of the bylaws.
