1.0 Definitions and Interpretation

Definitions and Interpretation

- 1.1 These Bylaws rely on defined terms, including defined terms that are used in the Act.
- 1.2 Schedule 1 contains the defined terms used in these Bylaws.
- 1.3 Where the Act or these Bylaws provide a definition for a term that could apply to more than one Regulatory College or more than one Designated Health Profession, the term should be read as applying to the College of Health and Care Professionals of British Columbia and the Designated Health Professions regulated by it.
- 1.4 Where the Act provides for more than one definition for the same word or phrase, the definition set out in Schedule 1 prevails for the purposes of these Bylaws.
- 1.5 All defined terms, including those incorporated from the Act, are capitalized for ease of identification. Other words or phrases that are normally capitalized by grammatical convention are not defined terms unless specifically identified as such in the Bylaws or Act.
- 1.6 All headings, subheadings, and references in italicized text in square brackets are for convenience and do not constitute part of these Bylaws.
- 1.7 When words that are defined terms in these Bylaws are used without capitalization, they are to be given their ordinary meaning.

2.0 Board

College Board

2.1 The Board consists of Persons appointed by the Minister under section 346 of the Act.

Board Chair and Board Vice Chair

2.2 At the first Board Meeting, and subsequently at the first Board Meeting after a Board Chair or Board Vice Chair's term ends or they otherwise cease to hold office, Board Members must elect a Board Chair and Board Vice Chair, as applicable, from among their own members using the following procedures:

- (a) the Registrar, at the first Board Meeting if no Board Chair was appointed by the Minister, and the acting Board Chair at subsequent meetings, must call for nominations;
- (b) if there is only one nominee, the nominee is elected by acclamation; and
- (c) if there is more than one nominee, electing a Board Chair or Board Vice Chair by a majority vote of the Board Members in attendance.

2.3 In the event of a tie vote between nominees, the Registrar must conduct a random draw between the tied nominees with the most votes.

2.4 If the Board Chair elected is a Licensee, the Board Vice Chair must be a Representative of the Public.

2.5 If the Board Vice Chair elected is a Representative of the Public, the Board Vice Chair must be a Licensee.

2.6 A Board Chair and Board Vice Chair hold office for a two-year term, renewable as long as the Person remains a Board Member.

2.7 A Board Chair or Board Vice Chair ceases to hold office upon:

- (a) election of a new Board Chair or Board Vice Chair as applicable;
- (b) ceasing to be a Board Member;
